A Brighter
Uttarakhand

UTTARAKHAND PRINCIPALS' SUMMIT 2026

LEADING SCHOOLS | INSPIRING CHANGE | SHAPING THE FUTURE

A Leadership Conclave for School Principals & Education Leaders

22 November 2026
(Sunday)

Dehradun,
Uttarakhand

Inclusive
Leadership
for a Stronger
Uttarakhand

Coming
Soon

Stronger
Schools
Brighter
Futures

KEY FOCUS AREAS

KNOW YOUR SCHOOL

Understand your school's
strengths, gaps, resources
and support systems.

KNOW EVERY CLASSROOM

Understand classroom diversity
and ensure every learner
participates and progresses.

IDENTIFY DIVERSE NEEDS

Recognise learning gaps,
developmental concerns
and diverse learning
needs early.

BUILD TEACHER CAPACITY

Strengthen teachers with
practical strategies, inclusive
approach and observation
skills.

STRENGTHEN THE RESOURCE ROOM

Develop a structured support
system for assessment,
intervention and collaboration.

USE THE RIGHT TOOLS

Select and adapt
teaching-learning resources,
visual aids and intervention
tools for individual needs.

13+ DISTRICTS | ONE SHARED VISION

Bringing together school leaders from across Uttarakhand to strengthen inclusive education.

ONE DISTRICT, ONE TEACHER

Recognising and celebrating education across Uttarakhand

PRINCIPALS, YOUR SCHOOL'S NEXT STEP BEGINS HERE.

Are we truly knowing our schools,
our classrooms and our learners?

Let's Learn • Reflect • Connect • Act

For more inclusive, responsive
and future-ready schools.

BADRINATH DHAM SET FOR A GRAND, DIVINE MAKEOVER: CM DHAMI

Chief Minister Pushkar Singh Dhmi visited the sacred Badrinath Dham to offer prayers and review the ongoing development works being carried out under the Badrinath Master Plan. Seeking blessings from Lord Badrinath for the prosperity, well-being, and happiness of the state, the Chief Minister inspected various construction and development sites, including the Aastha Path. During his visit, CM Dhmi directed officials to ensure that all construction work is completed in a high-quality manner and strictly within the stipulated timeframe. He emphasized that while carrying out these developmental works, special attention must be paid to the convenience of devotees while preserving the religious, spiritual, and traditional sanctity of the shrine. He also sought detailed information from officials regarding the progress of the ongoing projects. Addressing the media, Dhmi stated that under the guidance of Prime Minister Narendra Modi, rapid work is underway to give Badrinath Dham a grand, divine, and well-organized appearance. He noted that the Master Plan aims to provide better amenities to pilgrims without compromising the site's distinct identity. The Chief Minister asserted that the state government is working with full commitment to developing these pilgrimage centres in an organized manner, ensuring Uttarakhand remains a centre of eternal consciousness and spiritual heritage.

YATRI SEWA ABHIYAN 2026 LAUNCHED AT DEHRADUN AIRPORT

The 'Yatri Sewa Abhiyan 2026' was launched at Dehradun Airport with a focus on passenger service, safety, and convenience. The 24-day campaign, being organised around the theme 'Seva & Sankalp', aims to provide passengers with a safe, seamless, and pleasant travel experience while strengthening the spirit of service. The campaign was inaugurated by B.C. Negi, Director of Dehradun Airport.

Speaking on the occasion, Negi said the initiative would focus on enhancing the passenger experience through various measures related to facilitation, service, safety, and awareness. He emphasised that the campaign reflects the airport's commitment to putting passenger comfort at the forefront of its operations. As part of the inauguration programme, airport stakeholders participated in a collective rendition of 'Vande Mataram', reflecting a spirit of unity, patriotism, and collective commitment to passenger service. A dedicated Passenger Assistance Programme was also organised to provide passengers with guidance and assistance in addressing their requirements during their journey. The programme featured a traditional folk dance performance showcasing the rich cultural heritage of Uttarakhand. Passengers appreciated the initiative and applauded the artists for their performance. Officials said activities focusing on passenger facilitation, service, safety, and awareness would continue at the airport throughout the 24-day campaign, ensuring sustained benefits for travellers.

OCTOBER DEADLINES SPUR ROAD REPAIR RUSH IN DEHRADUN

With the monsoon over and October deadlines approaching, authorities are scrambling to repair battered roads across the city as utility and infrastructure work resumes. Roads remained largely on hold during the rains, leaving agencies with limited time to complete pending work. The Public Works Department (PWD) has set October 15 as the deadline for patching work, while the district administration has set October 30 for its roads. The PWD has begun repairs, and the Dehradun Municipal Corporation has floated tenders. Meanwhile, projects by UPCL, Jal Sansthan, and GAIL—suspended during the monsoon—have resumed. Subhash Road, Saharanpur Road, and Haridwar Road are among the stretches dug up, with residents saying overlapping projects have added to traffic congestion. Social activist Anoop Nautiyal questioned the lack of coordination between agencies. UPCL executive engineer Arun Kant said underground power line work is about 75% complete. PWD officials acknowledged that simultaneous work by different agencies makes meeting deadlines difficult.

DEHRADUN, HARIDWAR AMONG U'KHAND CITIES TO GET NEW GIS-BASED MASTER PLANS

The Uttarakhand Government is working towards the planned, long-term development of its urban areas, with 98 master plans being prepared across the state. Dehradun, Haridwar, and Roorkee are among the selected cities. Prepared with the assistance of reputed expert institutions, these plans aim to guide urban development with targets for 2041 and 2045. Of the total, seven are being prepared under AMRUT-1, 23 under AMRUT-2, 65 for urban local bodies under the Ease of Doing Business initiative, and three under Chief Minister's announcements. Chief Minister Pushkar Singh Dhmi stated that the plans aim to promote planned development and address issues like traffic congestion, unauthorised construction, and unplanned urbanisation. The seven cities under AMRUT-1 include Dehradun, Haridwar, Roorkee, Rudrapur, Kashipur, Nainital, and Haldwani. The new master plans focus on Uttarakhand's specific geographical and environmental conditions. In hilly areas, emphasis is being laid on development suited to the terrain, tourism promotion, and environmental protection.

BADRINATH DHAM SETS NEW RECORD WITH OVER 17.79 LAKH VISITORS THIS YEAR, SO FAR

The Char Dham Yatra is setting new milestones, with Badrinath Dham witnessing an unprecedented surge in pilgrims. For the first time in the shrine's history, over 17,79,805 (17.80 lakh) devotees have visited this year, breaking all previous records. The shrine opened on 23 April, and within 153 days till 22 September, the yatra established a new benchmark of faith. Tourism figures show that in 2000, the year of Uttarakhand's formation, Badrinath recorded 6,95,332 visitors. The number crossed 10 lakhs in 2008 and 2010, but the 2013 disaster reduced it to 1,59,575 in 2014. The Covid pandemic again curtailed numbers. With improved management and expanded facilities under the Dhmi government, pilgrim numbers have consistently set records since 2022, peaking at 17,78,298 in 2025. Chief Minister Pushkar Singh Dhmi noted that special focus has been placed on enhancing facilities at shrines and halting points. He added that under Prime Minister Narendra Modi's guidance, work is progressing rapidly to give Badrinath Dham a grand, divine, and well-organised form.
